## **PREAMBLE**

The information contained in this preamble is provided as advice only. It does not form part of the PDA Development Conditions. It is provided for the purpose of interpreting this PDA Development Approval, including the PDA Development Conditions.

### **1. STANDARD ADVICE**

In order to lawfully undertake development, it may be necessary to obtain approvals other than this PDA development approval. For advice on other approvals that may be necessary in relation to the proposal, it is recommended that you seek professional advice.

### **2. WORKS EXTERNAL TO THE PDA**

If a condition of this PDA development approval requires works external to the PDA that development may be subject to the Sustainable Planning Act 2009 (SPA) and may require approval under the SPA. This position may be affected if the works constitute PDA-associated development as defined in the Economic Development Act 2012:

#### **a) Definition of PDA-associated development**

*“PDA-associated development, for a priority development area, means development that is:*

*(a) declared to be PDA-associated development for the area under section 40C(1);*  
*or*

*(b) identified as PDA-associated development for the area in the relevant development instrument for the area.”*

*(see schedule 1 of the Economic Development Act 2012)*

#### **b) Development external to the PDA that is not PDA-associated development**

Where a condition of a PDA Development Approval states that works external to the PDA are required as a result of the proposed development and:

- i. the works are not identified as PDA-associated development in the relevant development instrument; and

- ii. the works are not exempt development under the *Sustainable Planning Act 2009 (SPA)*; then
- iii. there are two options to obtain approval to undertake work outside the PDA:
  - 1. **Declaration** of PDA-associated development by the MEDQ, by the process detailed in sections 40B and 40C of the *Economic Development Act 2012*; or
  - 2. **Development Approval** under the *Sustainable Planning Act 2009* through the relevant local government authority or planning body.

### 3. COMPLIANCE ASSESSMENT

Where a condition of this PDA Development Approval requires Compliance Assessment, then Compliance Assessment is required in accordance with the following:

- a) The applicant must:
  - i. pay to MEDQ at the time of submission the relevant fee for Compliance Assessment, including any third party peer review costs which will be charged on a 100% cost recovery basis. The Compliance Assessment fees are set out in the MEDQ's development assessment fee schedule (as amended from time to time).
  - ii. submit to MEDQ a duly completed Compliance Assessment form.
  - iii. submit to MEDQ plans/supporting information as required under the relevant condition of approval.
- b) Compliance Assessment and endorsement by EDQ Development Assessment, DILGP is required prior to any work commencing pursuant to that condition.
- c) Compliance Assessment and endorsement can be repeated where a different design or solution, to that already endorsed, is sought.
- d) The process and timeframes that apply to Compliance Assessment are as follows:
  - i. If required the applicant liaises with EDQ Development Assessment, DILGP to determine the relevant plans/supporting information required to be submitted.
  - ii. the applicant submits plans/supporting information as required under the relevant condition of approval for Compliance Assessment.
  - iii. **within 20 business days** – EDQ Development Assessment, DILGP assesses the plans/supporting information and:
    - 1. if satisfied with the plans/supporting information as submitted – endorses the plans/supporting information and the condition of approval (or element of the condition) is determined to have been met; or
    - 2. if not satisfied with the plans/supporting information as submitted – notifies the applicant accordingly
  - iv. if the applicant is notified under iii.2. above, revised plans/supporting information are to be re-submitted to EDQ Development Assessment, DILGP **within 20 business days** from the date of the notice.

- v. **within 20 business days** – EDQ Development Assessment, DILGP assesses the revised plans/supporting information and:
  - 1. if satisfied with the revised plans/supporting information – endorses the revised plans/supporting information and the condition of approval (or element of the condition) is determined to have been met; or
  - 2. if not satisfied with the revised plans/supporting information as submitted – notifies the applicant accordingly.
- vi. if EDQ Development Assessment, DILGP is not satisfied that compliance has been achieved within **20 business days** – repeat steps iv. and v. above. If either party is not satisfied by the outcome of this process, that party can elect to enter into a mediation process with an independent mediator agreed to by both parties. Despite note vi. above, the condition of approval (or element of the condition) is determined to have been met only when EDQ Development Assessment, DILGP endorses the relevant plans/supporting information.

### STANDARD ADVICE

Please note that in order to lawfully undertake development, it may be necessary to obtain approvals other than this PDA development approval. For advice on other approvals that may be necessary in relation to your proposal, it is recommended that you seek professional advice.

### DEPARTMENT OF TRANSPORT AND MAIN ROADS ADVICE

- a) Approval for Road Works – Under section 33 of the Transport Infrastructure Act 1994, written approval is required from the Department of Transport and Main Roads to carry out road works within the State-controlled road reserve. An application for approval can be made by sending the relevant form and supporting information to [scrcmallocations@tmr.qld.gov.au](mailto:scrcmallocations@tmr.qld.gov.au). Copies of the form and additional information regarding this process can be obtained from <http://www.tmr.qld.gov.au/Community-and-environment/Planning-and-development/Other-matters-requiring-approval.aspx>. Please note that modifications to the approved intersection layouts may occur as a result of the detailed design process.
- b) The Department of Transport and Main Road's technical guideline *Planning for Safe Transport Infrastructure at Schools (PSTIS)* has been prepared to assist in the design and provision of effective and safe transport infrastructure at schools.
