Stormwater	Based on Regulated Infrastructure Charge contained within methodology		\$2,000	8%																												

CONDITION					TIMING
	Total Calculated Charge (per Standard Residential Allotment)		\$25,047	100%	
Two (2) additional allotments 2 x \$25,047.00 Total charge for 2011/2012 financial year = \$50,094.00					

STANDARD ADVICE

UDA Development Approval

This UDA Development Approval does not include assessment against the following:

- Building Code of Australia and does not permit building work to occur. Prior to the commencement of any building work, a Development Permit under the *Sustainable Planning Act 2009* for Carrying out Building Work will be required.
- *Plumbing and Drainage Act 2002*. Prior to commencement of any building work a Compliance Permit will be required from the Central Highlands Regional Council.

Central Highlands Regional Council – Nominated Assessing Authority

For any conditions in this package that require the consideration of Central Highlands Regional Council (CHRC), you will need to submit the relevant forms, plans and/or reports and fee to the entity nominated in the condition/s. When satisfied that the condition has been met, the applicable entity will issue a response in the manner required by the condition/s (e.g. a letter of endorsement or authorisation or a permit). No costs will be incurred by the ULDA or CHRC. For all enquiries regarding these conditions please contact the CHRC.

Dial Before You Dig

'Dial Before You Dig' enquiries are the responsibility of the developer. CHRC and ULDA accept no responsibility for any issue arising from damage of services or conflicts between services.

Noise and Dust Emissions

All development involving the emission of noise and dust from building/construction activities requires that the emission be in accordance with the requirements of the *Environmental Protection Act 1994*. Pursuant to Division 3 Section 440R of the *Environmental Protection Act 1994*, a builder or building contractor must not carry out building work on a building site in a way that makes or causes audible noise to be made from the building work-

- on a Sunday or public holiday, at any time; or
- on a Saturday or business day, before 6.30 a.m. or after 6.30 p.m.

Please note: The above information has been provided to the applicant as an advice only, and does not form part of the development approval conditions. This advice has been provided to the applicant to inform them of other obligations they may have to comply with (under state legislation or local laws) prior to their activity commencing.
