COLUMNS RELOCATED

1. All construction to comply with Building Code of Australia and applicable Australian standards.
2. Builder and/or Subcontractor to supply one sample each of all materials, finishes, fixtures, fittings, tiles, mosaics and other materials for sign off prior to placement of order.
3. Client to provide a list of items to be included in the program. Items to be held by the Builder and one duplicate item to be forwarded to the Client's Representative.
4. Not to exceed this drawing's dimensions.
5. A signed original of this drawing is retained in Client's Portfolio Architects' Office for verification purposes.
6. The Client is to review design and documentation detailed in this drawing. Client's Representative will assume the design and documentation reflects the client's Principal's Project Requirements if Client's Portfolio Architects' Office is not contacted to the contrary within 20 working days from date of last update.
7. Information detailed in drawing-informs is for information only and is not to be included in any contract.
8. Builder and/or Subcontractor to confirm levels, setbacks, setbacks and critical dimensions on site including all easements and fittings to be included in the working drawings. Notify Architect by way a conflict discovered prior to any construction.
9. These drawings are the copyright of Client's Portfolio Architects Pty Ltd and may not be used, retained or copied without the written authority.
