

This Plan has been prepared for the Client under specific instructions as per the Job Number & date of this Plan. It is suitable for the purposes of Boundary Realignment only and is not to be used by any other person or corporation or for any other purpose, and is subject to the following limitations:

2) This plan was prepared as a preliminary subdivision design and should not be used for any other purpose. The dimensions, areas and total number of lots shown hereon are subject to field survey and also to the requirements of Council and any other authority which may have requirements under any relevant legislation. In particular, no reliance should be placed on the information on this plan for any financial dealings involving the land.
