

## Park and Open Space Plant Schedules

Refer plans as noted below.

### Open Space Concept Plan 1 - refer YAR-P02-OSC01-140219

|                           |                     |
|---------------------------|---------------------|
| Allocasuarina littoralis  | Black She Oak       |
| Angophora leiocarpa       | Smooth Barked Apple |
| Araucaria cunninghamii    | Hoop Pine           |
| Corymbia citriodora       | Lemon Scented Gum   |
| Corymbia intermedia       | Bloodwood           |
| Corymbia tessellaris      | Moreton Bay Ash     |
| Cupaniopsis anacardioides | Tuckeroo            |
| Eucalyptus tereticomis    | Forest Red Gum      |
| Ficus macrophylla         | Moreton Bay Fig     |
| Grevillea robusta         | Silky Oak           |

### Open Space Concept Plan 2 - refer YAR-P02-OSC02-140219

|                           |                      |
|---------------------------|----------------------|
| Angophora leiocarpa       | Smooth Barked Apple  |
| Araucaria cunninghamii    | Hoop Pine            |
| Corymbia citriodora       | Lemon Scented Gum    |
| Cupaniopsis anacardioides | Tuckeroo             |
| Ficus macrophylla         | Moreton Bay Fig      |
| Lophostemon confertus     | Brush Box            |
| Melaleuca leucadendron    | Fine Leaf Paper Bark |

### Open Space Concept Plan 3 - refer YAR-P03-OSC01-140219

|                           |                        |
|---------------------------|------------------------|
| Araucaria cunninghamii    | Hoop Pine              |
| Corymbia citriodora       | Spotted Gum Dwarf      |
| Cupaniopsis anacardioides | Tuckeroo               |
| Ficus hilli               | Hills Fig              |
| Ficus macrophylla         | Moreton Bay Fig        |
| Flindersia australis      | Crow's Ash             |
| Lophostemon confertus     | Brush Box              |
| Melaleuca quinquenervia   | Broad-leaved Paperbark |

### Open Space Concept Plan 4 - refer YAR-P02-OSC04-140219

|                           |                     |
|---------------------------|---------------------|
| Angophora leiocarpa       | Smooth Barked Apple |
| Araucaria cunninghamii    | Hoop Pine           |
| Corymbia citriodora       | Lemon Scented Gum   |
| Corymbia intermedia       | Bloodwood           |
| Corymbia tessellaris      | Moreton Bay Ash     |
| Cupaniopsis anacardioides | Tuckeroo            |
| Eucalyptus tereticomis    | Forest Red Gum      |
| Ficus macrophylla         | Moreton Bay Fig     |
| Flindersia australis      | Crow's Ash          |
| Grevillea robusta         | Silky Oak           |

### Open Space Concept Plan 5 - refer YAR-P02-OSC05-140219

|                           |                     |
|---------------------------|---------------------|
| Allocasuarina littoralis  | Black She Oak       |
| Angophora leiocarpa       | Smooth Barked Apple |
| Araucaria cunninghamii    | Hoop Pine           |
| Corymbia citriodora       | Lemon Scented Gum   |
| Corymbia intermedia       | Bloodwood           |
| Corymbia tessellaris      | Moreton Bay Ash     |
| Cupaniopsis anacardioides | Tuckeroo            |
| Eucalyptus tereticomis    | Forest Red Gum      |

## Road & Street Landscape Character Plant Schedules - Refer plan no. YAR-P02-OSSTR-140219

### A. Yarrabilba Drive - Trunk Collector Schedule

|                           |                     |
|---------------------------|---------------------|
| Angophora leiocarpa       | Smooth Barked Apple |
| Araucaria cunninghamii    | Hoop Pine           |
| Brachychiton aceifolius   | Flame Tree          |
| Buckinghamia celsissima   | Ivory Curl Tree     |
| Corymbia citriodora       | Spotted Gum         |
| Corymbia intermedia       | Bloodwood           |
| Corymbia tessellaris      | Moreton Bay Ash     |
| Cupaniopsis anacardioides | Tuckeroo            |
| Eucalyptus microcorys     | Tallowwood          |
| Eucalyptus tereticomis    | Forest Red Gum      |
| Ficus hilli               | Hills Fig           |
| Ficus macrophylla         | Moreton Bay Fig     |
| Flindersia australis      | Crow's Ash          |
| Grevillea robusta         | Silky Oak           |
| Grevillea robusta         | Silky Oak           |
| Lophostemon suaveolens    | Swamp Box           |
| Waterhousea floribunda    | Weeping Lilly Pilly |

### B. Urban Setting Streetscape

|                           |                        |
|---------------------------|------------------------|
| Cupaniopsis anacardioides | Tuckeroo               |
| Ficus hilli               | Hills Fig              |
| Flindersia australis      | Crow's Ash             |
| Melaleuca quinquenervia   | Broad-leaved Paperbark |
| Waterhousea floribunda    | Weeping Lilly Pilly    |

### C. Open Parkland Setting (buffer adjoining infrastructure easement)

|                           |                      |
|---------------------------|----------------------|
| Angophora leiocarpa       | Smooth Barked Apple  |
| Araucaria cunninghamii    | Hoop Pine            |
| Buckinghamia celsissima   | Ivory Curl Tree      |
| Corymbia citriodora       | Lemon Scented Gum    |
| Cupaniopsis anacardioides | Tuckeroo             |
| Ficus hilli               | Hills Fig            |
| Flindersia australis      | Crow's Ash           |
| Lophostemon confertus     | Brush Box            |
| Lophostemon suaveolens    | Swamp Box            |
| Melaleuca leucadendron    | Fine Leaf Paper Bark |
| Peltophorum pterocarpum   | Yellow Poinciana     |
| Tabebuia argentea         | Trumpet Tree         |
| Waterhousea floribunda    | Weeping Lilly Pilly  |

### D. Endemic Character Streetscape

|                           |                     |
|---------------------------|---------------------|
| Allocasuarina littoralis  | Black She Oak       |
| Angophora leiocarpa       | Smooth Barked Apple |
| Araucaria cunninghamii    | Hoop Pine           |
| Corymbia citriodora       | Lemon Scented Gum   |
| Corymbia intermedia       | Bloodwood           |
| Corymbia tessellaris      | Moreton Bay Ash     |
| Cupaniopsis anacardioides | Tuckeroo            |
| Eucalyptus tereticomis    | Forest Red Gum      |
| Ficus macrophylla         | Moreton Bay Fig     |
| Flindersia australis      | Crow's Ash          |
| Grevillea robusta         | Silky Oak           |

### E. Greenway Street

|                           |                      |
|---------------------------|----------------------|
| Angophora leiocarpa       | Smooth Barked Apple  |
| Cupaniopsis anacardioides | Tuckeroo             |
| Melaleuca leucadendron    | Fine Leaf Paper Bark |
| Waterhousea floribunda    | Weeping Lilly Pilly  |

### F. Canopy Dominated Boulevard

|                           |                     |
|---------------------------|---------------------|
| Araucaria cunninghamii    | Hoop Pine           |
| Buckinghamia celsissima   | Ivory Curl Tree     |
| Corymbia citriodora       | Spotted Gum         |
| Cupaniopsis anacardioides | Tuckeroo            |
| Eucalyptus microcorys     | Tallowwood          |
| Ficus hilli               | Hills Fig           |
| Flindersia australis      | Crow's Ash          |
| Grevillea robusta         | Silky Oak           |
| Waterhousea floribunda    | Weeping Lilly Pilly |

### G. Suburban Streets

|                           |                         |
|---------------------------|-------------------------|
| Angophora leiocarpa       | Smooth Barked Apple     |
| Araucaria cunninghamii    | Hoop Pine               |
| Brachychiton aceifolius   | Flame Tree              |
| Buckinghamia celsissima   | Ivory Curl Tree         |
| Corymbia citriodora       | Spotted Gum             |
| Cupaniopsis anacardioides | Tuckeroo                |
| Ficus hilli               | Hills Fig               |
| Flindersia australis      | Crow's Ash              |
| Jacaranda mimosifolia     | Jacaranda               |
| Lophostemon confertus     | Brush Box               |
| Lophostemon suaveolens    | Swamp Box               |
| Melaleuca leucadendron    | Narrow-Leaved Paperbark |
| Melaleuca quinquenervia   | Broad-leaved Paperbark  |
| Peltophorum pterocarpum   | Yellow Poinciana        |
| Tabebuia argentea         | Trumpet Tree            |
| Waterhousea floribunda    | Weeping Lilly Pilly     |

### H. Street Adjacent Southern Infrastructure Corridor

|                           |                      |
|---------------------------|----------------------|
| Angophora leiocarpa       | Smooth Barked Apple  |
| Cupaniopsis anacardioides | Tuckeroo             |
| Ficus hilli               | Hills Fig            |
| Melaleuca leucadendron    | Fine Leaf Paper Bark |
| Waterhousea floribunda    | Weeping Lilly Pilly  |

## Typical Groundcover Plant Schedule

|                                |                           |
|--------------------------------|---------------------------|
| Baeckea virgata 'Dwarf'        | Dwarf Twiggy Heath Myrtle |
| Liriope 'Evergreen Giant'      | Turf Lily                 |
| Hibbertia scandens             | Snake Vine                |
| Lomandra hystrix               | Green Matrush             |
| Lomandra hystrix 'Tropicbelle' | Tropicbelle               |
| Myoporum ellipticum            | Myoporum                  |
| Pennisetum alopecuroides       | Fountain Grass            |
| Pennisetum 'Nafay'             | Nafay                     |
| Phyllanthus myrtifolius        | Phyllanthus               |
| Westringia munda               | Dwarf Rosmary             |

### Notes:

Tree sizes vary from a minimum of 25L up to 100L stock. Groundcovers planted in streets will be a minimum 140mm pot size. Plant species indicated above are indicative and may vary through detail design.
