STANDARD ADVICE

Please note that in order to lawfully undertake development it may be necessary to obtain approvals other than this PDA development approval. Other approvals may be required under the *Economic Development Act 2012*, the *Sustainable Planning Act 2009*, the *Plumbing and Drainage Act 2002*, *Nature Conservation Act 1994* and the *Commonwealth Environmental Protection and Biodiversity Conservation Act 1999*. Carrying out development may also be subject to 'duty of care' legislation such as the *Aboriginal Cultural Heritage Act 2003*. For advice on other approvals that may be necessary in relation to your proposal, please seek professional advice.

Noise and Dust Emissions

All development involving the emission of noise and dust from building/construction activities requires that the emission be in accordance with the requirements of the *Environmental Protection Act 1994*.

Pursuant to Division 3 Section 440R of the Environmental Protection Act 1994, a builder or building contractor must not carry out building work on a building site in a way that makes or causes audible noise to be made from the building work-

- (a) on a Sunday or public holiday, at any time; or
- (b) on a Saturday or business day, before 6:30am or after 6:30pm.
