

- General Notes**
1. Confirm details of setbacks, levels, setbacks and critical dimensions on site prior to and during the works. Notify architect of any discrepancies discovered before proceeding.
 2. All construction to comply with the building code of Australia and applicable Australian standards.
 3. Do not scale from this drawing - use figured dimensions.
 4. A signed original of this drawing is retained in CPA Offices for verification purposes.
 5. These drawings are the copyright of Cottee Parker Architects Pty Ltd and may not be used, retained or copied without written authority.
 6. Builder and/or Subcontractor to supply one sample each of the proprietary items, finishes, sample materials & shop drawings for sign off prior to placement of order, fabrication or construction. Once approved one signed item is to be held by the Builder and one duplicate item to be forwarded to Client's Representative.
 7. Information detailed in drawing revisions is for information only and may not be indicative of all changes made.
 8. Builder and/or Subcontractor to confirm setbacks, levels, setbacks and critical dimension on site for all services features and fittings prior to and during the works. Notify Architect of any conflicts discovered prior to proceeding.
 9. The Client is to review design & documentation detailed within this document. CPA will assume the design & documentation satisfies the Client's Principal's Project Requirements if CPA receives no written advice to the contrary within 20 working days.

 4. A signed original of this drawing is retained in CPA Offices for verification purposes.
 5. These drawings are the copyright of Cottee Parker Architects Pty Ltd and may not be used, retained or copied without written authority.
 6. Builder and/or Subcontractor to supply one sample each of the proprietary items, finishes, sample materials & shop drawings for sign off prior to placement of order. Fabrication or construction. Once approved one signed item is to be held by the Builder and one duplicate item to be forwarded to Client's Representative.
 7. Information detailed in drawing revisions is for information only and may not be indicative of all changes made.
 8. Builder and/or Subcontractor to confirm setbacks, levels, setbacks and critical dimension on site for all services fixtures and fittings prior to and during the works. Notify Architect of any conflicts discovered prior to proceeding.
 9. The Client is to review design & documentation detailed within this document. CPA will assume the design & documentation satisfies the Client's Principal's Project. Requirements if CPA receives no written advice to the contrary within 20 working days.
